☐ Portland, OR 97201

Professional Summary

Creative and detail-oriented junior developer with 1.5 years of experience in UI/UX design and frontend development. Passionate about creating visually appealing and user-friendly interfaces. Strong skills in HTML, CSS, and basic JavaScript with a keen eye for design aesthetics. Looking for opportunities to grow technical skills and contribute to innovative web projects.

Technical Skills

Frontend: HTML5, CSS3, JavaScript (basic), jQuery
Design Tools: Figma, Adobe XD, Photoshop, Illustrator
CSS Frameworks: Bootstrap, Tailwind CSS, SASS
Other: Responsive Design, Git (basic), WordPress, Shopify
Familiar With: React (beginner level), basic SQL

Professional Experience

Junior Frontend Developer

Creative Design Agency | Portland, OR | *June 2023 – Present*

Focus on UI implementation and design for client websites

- **Designed and developed landing pages** for marketing campaigns using HTML, CSS, and JavaScript
- **Created mockups and prototypes** in Figma for client approval before development
- **Converted design files** (PSD, Figma) into responsive HTML/CSS pages
- **Worked with WordPress** to customize themes and create custom page layouts
- **Implemented CSS animations** and transitions to enhance user experience
- **Ensured cross-browser compatibility** and mobile responsiveness
- **Collaborated with graphic designers** to implement design specifications accurately
- **Made minor JavaScript modifications** to existing code for interactive elements

Technologies: HTML, CSS, JavaScript, jQuery, Bootstrap, Figma, WordPress

Web Design Intern

Trendy Digital Media | Portland, OR | *January 2023 – May 2023*

- Created website mockups and wireframes based on client requirements
- Assisted in updating client websites with content changes
- Learned basic HTML and CSS through hands-on projects
- Supported senior developers with testing and quality assurance tasks

Freelance Graphic Designer

Self-Employed | *2021 – 2022*

- Designed logos, banners, and marketing materials for small businesses
- Created social media graphics and digital advertisements
- Built simple portfolio websites using WordPress and website builders (Wix, Squarespace)

Projects

Personal Portfolio Website

- Designed and built personal portfolio showcasing design work
- Used HTML, CSS, and Bootstrap for responsive layout
- Implemented smooth scrolling and basic animations
- **Website**: alexturner-designs.com

Restaurant Website Template

- Created a template for restaurant websites with menu display and contact form
- Responsive design with mobile-first approach
- Used jQuery for image carousel and form validation

Education

Associate Degree in Graphic Design
Portland Community College | Portland, OR
Graduated: June 2022 | GPA: 3.5/4.0

Online Courses: - HTML & CSS Bootcamp (Udemy, 2022) - JavaScript Basics (Codecademy, 2023) - Figma UI/UX Design (Coursera, 2021)

Certifications

- **Responsive Web Design Certification** | freeCodeCamp | *Issued: 2023*
- **Adobe Certified Associate in Visual Design** | Adobe | *Issued: 2022*

Additional Information

Current Learning Goals: - Taking online course to learn React and modern JavaScript frameworks - Interested in learning more about backend development - Want to understand how databases work and how to connect them to websites

Limited Experience In: - Backend programming (no experience with server-side languages like Python, Java, or C#) - Database design and management (only learned basic SQL syntax) - API development and integration (minimal exposure) - Cloud platforms, DevOps, or CI/CD - Complex programming concepts like algorithms, data structures, or system design - Working with version control beyond basic commits and pushes

Strengths: - Strong visual design skills and attention to detail - Excellent at pixel-perfect implementation of designs - Good understanding of UI/UX principles - Fast learner with strong motivation to grow technical skills - Great communication and collaboration with design teams

Professional Development

- Member of Portland Web Designers Meetup
- Follow web design and frontend development blogs
- Actively building small projects to improve JavaScript skills

Languages

- **English**: Native
